Dear Mr McIntyre

**Planning proposal to amend Shellharbour Local Environmental Plan 2013 –
Taylor Road Albion Park (Albion Park Bowling Club)**

I am writing in response to Council's request for a Gateway determination under section 56 of the *Environmental Planning and Assessment Act 1979* (the Act) in respect of the planning proposal to rezone Part of Lot 243 DP 1056253 Taylor Road, Albion Park from RE2 Private Recreation to R2 Low Density Residential, including a corresponding change to minimum lot size and floor space ratio controls.

As delegate of the Minister for Planning, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

I have agreed that the proposal is consistent with relevant s117 Directions or that any inconsistencies are of minor significance. No further approval is required in relation to these Directions.

Plan making powers were delegated to councils by the Minister in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan is to be finalised within 12 months of the date of the Gateway determination. Council's request to draft and finalise the Local Environmental Plan should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning and Environment for administrative purposes.

The State Government is committed to reducing the time taken to complete Local Environmental Plans by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, I have arranged for Ms Louise Myler of the Department's regional office to assist you. Louise can be contacted on (02) 4224 9463.

Yours sincerely

Gateway Determination

Planning proposal (Department Ref: PP_2016_SHELL_001_00): to rezone Part of Lot 243 DP 1056253 Taylor Road Albion park from RE2 Private Recreation to R2 Low Density Residential, including a corresponding change to minimum lot size and floor space ratio controls.

I, the Acting Director Regions, Southern at the Department of Planning and Environment as delegate of the Minister for Planning, have determined under section 56(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Shellharbour Local Environmental Plan 2013 as described above should proceed subject to the following conditions:

1. Community consultation is required under sections 56(2)(c) and 57 of the *Environmental Planning and Assessment Act 1979* as follows:
 - (a) the planning proposal must be made publicly available for 28 days; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of 'A guide to preparing local environmental plans (Planning and Infrastructure, 2013)'.
2. There is no requirement for consultation with public authorities.
3. No public hearing is required to be held into the matter under section 56(2)(e) of the *Environmental Planning and Assessment Act 1979*. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example in response to a submission or if reclassifying land).
4. The timeframe for completing the LEP is to be 12 months from the week following the date of the Gateway determination.

Dated 16th day of February 2016
