Dear Ms McNally

It is now more than three months since the panel's decision and I understand that it still has not been signed off by the Department. I further understand that there has been secret lobbying by the developer. I am appalled that the Department has met with the Developer, who has had yet another opportunity to lobby the Department without the knowledge of the Council and the community.

We should not have to be still fighting this. The umpire has spoken. The proposal was opposed by the local council, an overwhelming number of residents including a famous local sporting club, and by the Planning Panel. It also fails to meet the strategic tests for the area laid out by the Council and the Greater Sydney Commission.

What is the point of making submissions and having a Planning Panel if their decisions are not upheld. I would appreciate some acknowledgement of this email and when we can expect this signing off to occur.

Kind regards
