Hi Garry / Wayne / Oyshee

In response to the letter from Garry dated 2 August 2022 the planning proposal for Rosedale Gardens (Amendment 33) has been updated, reflecting further consultations with government agencies. I have reviewed the attached updates and confirm that the positions stated are in line with Councils existing resolution on the matter.

Can you review and advise if the Department will allow the matter to proceed to public exhibition, i.e. whether conditions 1 – 3 are now satisfied.

I can upload the attached documents to the portal this afternoon

Thanks
