

	Description	History	Area	Justification
Site 1	Lot 1 DP 36997 Putty Road, Mt Thorley	The site of a previously council owned quarry.	2.36ha	Quarry not in operation, land is surplus to Council's requirements.
Site 2	Lot 6 DP 861727 Stanhope Road Elderslie	Acquired by Council through negotiated sale for a road realignment. Road has been realigned, with this site remaining in Council's ownership.	1016m ²	Not required for further road improvements. This parcel of land is between an existing road, and a road that provides access to Lot 3. The reclassification and sale of this land to Lot 3 will enable the old portion of road to be closed without creating a land lock of Lot 3.
Site 3	Lot 4 and Lot 5 DP 1017441 Gresford Road Sedgefield	The lots are residual parcels of land created form a realignment of Gresford Road	2769.8m ²	Not required for further road improvements.
Site 4	Part of Lot 6 DP 255886 Darlington Road, Darlington	Originally purchased by Council The subject land is being encroached by the Boral Creek Concrete Batching Plant.	1739m ²	Council wish to sell this land to the Boral Creek Concrete Batching Plant. The proposed 1(a) Rural zoning is consistent with the surrounding zoning. The remainder of the lot will remain community land, zoned 6(a) Open Space
