Dear Monica,

Re: Request for Gateway Determination

Please find attached an updated planning proposal for Gateway Determination. The proposal has been revised and updated in response to issues identified by the NSW Department of Planning and Infrastructure and in consideration of the environmental attributes of the site.

At the 5 December 2011 Singleton Council meeting, Council resolved to support the revised planning proposal. A copy of the report and relevant minutes from the meeting are attached.

Should you have any further queries in regard to this matter, please contact Gary Pearson of Council's Planning and Regulated Services Directorate on (02) 6578 7304.

Yours faithfully,
