Dear Sir/Madam

**Danjera Dam Camping and Recreation Area – Additional Permitted Use (PP049)
Planning Proposal for Gateway Determination Under Section 3.34 of the
Environmental Planning and Assessment Act 1979**

I am writing to submit the attached Planning Proposal (PP049) – Danjera Dam Camping and Recreation Area Additional Permitted Use for Gateway Determination under Section 3.34 of the *Environmental Planning and Assessment Act 1979*. The PP has been prepared in accordance with Section 3.33 of the EP&A Act and sets out the objectives, intended outcomes and justification for the proposal.

The PP seeks to add ‘camping ground’ as an additional permitted use on certain land at Danjera Dam Camping and Recreation Area in Schedule 1 of Shoalhaven Local Environmental Plan 2014 (SLEP 2014). A corresponding amendment to identify the subject land on the SLEP 2014 Clauses Map is also proposed.

A copy of Council’s resolution and supporting report is attached with Council’s PP, along with other relevant documentation.

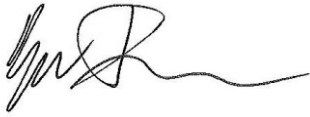

It is requested that Council be given delegation for plan making functions for this PP.

As part of the Gateway determination requirements, Council also proposes to consult with the following agencies:

- NSW Rural Fire Service;
- NSW Department of Planning, Industry and Environment (Crown Land); and
- NSW National Parks and Wildlife Service.

If you need further information about this matter, please contact me on (02) 4429 3139. Please quote Council’s reference 61178E (D20/79155).

Yours faithfully
