Planning proposal (Department Ref: PP_2019_SMONA_001_00): The planning proposal seeks to rezone and amend the lot size for land being part Lot 32, DP111832

I, the Director Regions, Southern at the Department of Planning and Environment, as delegate of the Minister for Planning, have determined under section 3.34(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Snowy River Local Environmental Plan (LEP) 2013 to rezone and amend the lot size for land being part Lot 32, DP111832 should proceed subject to the following conditions:

1. Public exhibition is required under section 3.34(2)(c) and schedule 1 clause 4 of the Act as follows:
 - (a) the planning proposal is classified as low impact as described in *A guide to preparing local environmental plans* (Department of Planning and Environment 2016) and must be made publicly available for a minimum of **28 days**; and
 - (b) the planning proposal authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A guide to preparing local environmental plans* (Department of Planning and Environment 2016).
2. Consultation is required with the Office of Environment and Heritage under section 3.34(2)(d) of the Act. The OEH is to be provided with a copy of the planning proposal and any relevant supporting material, and given at least 21 days to comment on the proposal.
3. A public hearing is not required to be held into the matter by any person or body under section 3.34(2)(e) of the Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
4. The planning proposal authority is authorised as the local plan-making authority to exercise the functions under section 3.36(2) of the Act subject to the following:
 - (a) the planning proposal authority has satisfied all the conditions of the Gateway determination;
 - (b) the planning proposal is consistent with section 9.1 Directions or the Secretary has agreed that any inconsistencies are justified; and
 - (c) there are no outstanding written objections from public authorities.

5. The planning proposal shall not be finalised until the NSW Government's Masterplan for Jindabyne is completed and the proposal is consistent with the outcomes of the completed Masterplan.
6. The time frame for completing the LEP is to be **18 months** following the date of the Gateway determination.

Dated 8th day of May 2019.
