Mr David Farmer
General Manager
Wollongong City Council
Locked Bag 8821
WOLLONGONG NSW 2500

Dear Mr Farmer,

Re: Planning Proposal to amend the Wollongong Local Environmental Plan (West Dapto) 2010 Land Reservation Acquisition Map to indicate council's proposed acquisition of 4 properties at Iredell Road and Shone Road, Horsley

I am writing in response to your Council's letter dated 1 February 2011 requesting a Gateway Determination under section 56 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") in respect of the planning proposal to amend the Wollongong Local Environmental Plan (West Dapto) 2010 to include part of lot 2 DP 658275 and part of lots 7, 8 & 9 DP 33650, at Iredell Road and Shone Road, Horsley on the Land Reservation Acquisition Map.

As delegate of the Minister for Planning, I have now determined that the planning proposal should proceed subject to the conditions in the attached Gateway Determination.

The Director General's delegate has agreed that the planning proposal is consistent with the requirements of S117 Direction 6.2 Reserving Land for Public Purposes and agrees with the reservation of land for the purposes of this planning proposal. No further approval is required in relation to this Direction.

The Director General's delegate has also agreed that the planning proposal's inconsistencies with S117 Direction 4.3 Flood Prone Land are of minor significance. No further approval is required in relation to this Direction.

The amending Local Environmental Plan (LEP) is to be finalised within 9 months of the week following the date of the Gateway Determination. Council should aim to commence the exhibition of the Planning Proposal within four (4) weeks from the week following this determination. Council's request for the Department to draft and finalise the LEP should be made six (6) weeks prior to the projected publication date.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under s54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, please contact Graham Towers of the Regional Office of the Department on 02 4224 9450.

Yours sincerely,

4/3/11

Gateway Determination

Planning Proposal (Department Ref: PP_2010_WOLLG_003_00): to amend the Wollongong Local Environmental Plan (West Dapto) 2010 Land Reservation Acquisition Map to indicate council's proposed acquisition of 4 properties at Iredell Road and Shone Road, Horsley.

I, the Deputy Director General, Plan Making & Urban Renewal as delegate of the Minister for Planning, have determined under section 56(2) of the EP&A Act that an amendment to the Wollongong Local Environmental Plan (West Dapto) 2010 to include part of lot 2 DP 658275 and part of lots 7, 8 & 9 DP 33650, at Iredell Road and Shone Road, Horsley on the Land Reservation Acquisition Map should proceed subject to the following conditions:

1. The Director General's delegate has agreed that the planning proposal is consistent with the requirements of S117 Direction 6.2 Reserving Land for Public Purposes and agrees with the reservation of land for the purposes of this planning proposal.
2. Community consultation is required under sections 56(2)(c) and 57 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") as follows:
 - (a) the planning proposal must be made publicly available for **28 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 4.5 of *A Guide to Preparing LEPs (Department of Planning 2009)*.
3. Consultation is required with the following public authorities under section 56(2)(d) of the EP&A Act:
 - Department of Environment, Climate Change and Water

Each public authority is to be provided with a copy of the planning proposal and any relevant supporting material. Each public authority is to be given at least 21 days to comment on the proposal, or to indicate that they will require additional time to comment on the proposal. Public authorities may request additional information or additional matters to be addressed in the planning proposal.

4. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).

5. The timeframe for completing the LEP is to be **9 months** from the week following the date of the Gateway determination.

Dated 4th day of march 2011.
