Graham,

Just a brief about the amendments to the PP - housekeeping Amendment as follow:

The Item 1, Item 13 and Item 14 in the initial PP are removed from the amended PP (sent you earlier).

Item 1 was related to the amendment to the YV LGA boundary (we will do s3.22 previous s73A)

Item 13 & 14 were related to the Bango Nature Reserve, and due to discrepancy in the ownership and other information we have taken it out for the time being.

In addition, I have double checked all the property description Lot & DP, consistency. Inconsistency of Minister's Direction 9.1 and have attached the letters from state agencies to support some amendment.

Hope this will be helpful.

Regards,

Arif
