Jemena Eastern Gas Pipeline (**Jemena**) has reviewed and assessed the development application referenced above. Jemena has given consideration to the potential safety risk and impacts to and from the Jemena gas pipelines located within proximity to the proposed Urban Release Area.

Jemena confirms that it does not object to the Urban Release Area, subject to the following conditions:

- A detailed drainage plan for the proposed development is to be submitted to Jemena for review and acceptance;
- Design for proposed crossings (roads, utilities, onsite detention basins, etc.) of the Jemena easement are to be submitted to Jemena for review and acceptance; and
- The design is to specify the "dedicated land" proposed within the easement.

The above conditions must be satisfied and written confirmation provided by Jemena before the URA can proceed.
