Dear Ms Hyam

Section 73A Request to amend Singleton Local Environmental Plan 2013

I am writing in response to your Council's request for an amendment to Singleton LEP 2013 to address ten minor matters.

I have determined as delegate of the Minister for Planning that this is a minor amendment under section 73A of the *Environmental Planning and Assessment Act, 1979*, and public exhibition and agency consultation is not required in this instance.

Further I have considered the Council's request for the Department to coordinate the completion of the maps and this has now been undertaken. Therefore, I have determined not to issue Council delegation to make the amending LEP. Drafting of the amendment will be requested and I will write again to inform you when the amendment has commenced.

Should you have any queries in regard to this matter, I have arranged for Katrine O'Flaherty from the Hunter office to assist you. Ms O'Flaherty can be contacted on (02) 4904 2700.

Yours sincerely,

12 June 2014
