

Mr Rob Noble
Chief Executive Officer
Central Coast Council
PO Box 21
GOSFORD NSW 2250

Dear Mr Noble

Planning Proposal PP_2017_CCOAS_009_00 to list local heritage items under the relevant local planning instrument

I am writing in response to Council's request for a Gateway determination under Section 56 of the *Environmental Planning and Assessment Act 1979* (the Act) and additional information received on 11 and 16 August 2017 in respect of the Planning Proposal to list local heritage items under the relevant local planning instrument.

As delegate of the Minister for Planning, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

Council may still need to obtain the agreement of the Department's Secretary to comply with the requirements of section 117 Direction 4.4 Planning for Bushfire Protection. Council should ensure this occurs prior to community consultation.

Plan making powers were delegated to Councils by the Minister in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within 9 months of the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning and Environment.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under Section 54(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any further enquiries about this matter, I have arranged for Mr Glenn Horal to assist you. Mr Horal can be contacted on (02) 4345 4409.

Yours sincerely

 4 September 2017

Gateway Determination

Planning Proposal (Department Ref: PP_2017_CCOAS_009_00): to include local heritage and archaeological items under the relevant local planning instrument.

I, the Executive Director, Regions at the Department of Planning and Environment as delegate of the Minister for Planning, have determined under Section 56(2) of the *Environmental Planning and Assessment Act, 1979* (the Act) that an amendment to include local heritage and archaeological items under the relevant local planning instrument should proceed subject to the following conditions:

1. Prior to undertaking community consultation, Council is required to:
 - (a) consult with the Office of Environment and Heritage regarding the items identified as having State significance and the proposal's intent to list these under the relevant local planning instrument; and
 - (b) update the planning proposal to:
 - incorporate the comments and any required changes from the Office of Environment and Heritage;
 - remove the proposed listing of the Gosfordia Fossil; and
 - replace the reference to 'Strategy' under the assessment against section 117 Direction 5.10 with 'Plans'.

A copy of the updated planning proposal is to be forwarded to the Department for approval.

2. Community consultation is required under Sections 56(2)(c) and 57 of the Act as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **28 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in Section 5.5.2 of *A guide to preparing local environmental plans* (Department of Planning and Environment 2016).
3. Consultation is required with the following public authorities and / organisations under Section 56(2)(d) of the Act and/or to comply with the requirements of relevant Section 117 Directions:
 - NSW Rural Fire Service;
 - NSW Department of Education;
 - Sydney Trains;
 - NSW Department of Sport and Recreation;
 - National Parks and Wildlife Service; and
 - Department of Industries – Lands.

Each public authority/organisation is to be provided with a copy of the Planning Proposal and any relevant supporting material, and given at least 21 days to comment on the proposal.

4. A public hearing is not required to be held into the matter by any person or body under Section 56(2)(e) of the Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
5. The timeframe for completing the LEP is to be **9 months** following the date of the Gateway determination.

Dated *4th* day of *September* 2017.
