Dear Mr Chapman

I refer to Council's correspondence of 27 March 2014 submitting the draft *South Jerrabomberra Structure Plan 2014* for the Secretary's endorsement.

I am pleased to advise that as delegate of the Secretary, I have now formally endorsed the Structure Plan as submitted.

I would like to congratulate Council for finalising this work.

I have written to representatives in the ACT Government to advise of my decision to endorse the Structure Plan and to encourage a cooperative approach to the resolution of the cross border infrastructure issues necessary for the development of the South Jerrabomberra area. Arrangements have been made to bring the two jurisdictions together to discuss these issues and I would like to thank and acknowledge Council's ongoing role in these discussions.

Should you have any further enquiries about this matter, I have arranged for Martin Brown of the Queanbeyan Planning Team at the Department of Planning and Environment to assist you. Mr Brown can be contacted on (02) 6229 7913.

Yours sincerely

Richard Pearson
