8.2 Delisting of fire destroyed local heritage items

1/20

RESOLVED on the motion of Crs Tapscott and Bain

That Council:

1. Supports a planning proposal to remove local heritage listing of properties where the major structure has been destroyed by bushfires and removal of listing is supported by the property owner.
2. Authorises Council officers to forward the planning proposal (Attachment 1) after removing Lot 1 DP 1169111 and Lot 1 DP 306281 and amending the detail in relation to Lot 10 DP 750206 to retain the heritage listing of the graves site and supporting information to the Department of Planning, Industry and Environment requesting expedition of the Gateway Determination under section 3.22 (1)(c) of the Environmental Planning and Assessment Act 1979.
3. Authorises Council officers, subject to the conditions of the Gateway Determination and providing no substantial changes to the planning proposal are required, to progress the planning proposal to finalisation and gazettal without a further report to Council.
