I, the Acting Director Regions, Southern at the Department of Planning and Environment, as delegate of the Minister for Planning, have determined under section 3.34(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Yass Valley Local Environmental Plan (LEP) 2013 to rezone rural land to RU5 Village Zone, R5 Large Lot Residential Zone and E3 Environmental Management Zone on Lot 5 DP 838497, 2090 Sutton Road, Sutton should proceed subject to the following conditions:

1. The planning proposal is to be revised prior to community consultation to include mapping of the flood planning area and flood categories (floodway, flood storage and flood fringe) for the site, derived from the Sutton Floodplain Risk Management Study and Plan. The flood planning area is to be included as an overlay on a diagram showing the proposed zones.
2. Public exhibition is required under section 3.34(2)(c) and schedule 1 clause 4 of the Act as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **28 days**; and
 - (b) the planning proposal authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A guide to preparing local environmental plans* (Department of Planning and Environment 2016).
3. Consultation is required with the following public authorities under section 3.34(2)(d) of the Act and/or to comply with the requirements of relevant section 9.1 Directions:

Each public authority/organisation is to be provided with a copy of the planning proposal and any relevant supporting material and given at least 21 days to comment on the proposal.

4. A public hearing is not required to be held into the matter by any person or body under section 3.34(2)(e) of the Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
