Attention: Liz Makin

Dear Chris

Planning proposal PP_2020_YASSV_006_00 to amend Yass Valley Local Environmental Plan 2013

I am writing in response to Council's request for a Gateway determination under section 3.34(1) of the *Environmental Planning and Assessment Act 1979* (the Act) in respect of the planning proposal to adjust the zone and minimum lot size boundaries applying to 'Kyeema', 4078 Gundaroo Road, Gundaroo.

As delegate of the Minister for Planning and Public Spaces, I have now determined that the planning proposal should proceed subject to the conditions in the enclosed Gateway determination.

Please note that the planning proposal is to be amended prior to community consultation and consultation with agencies to include additional information on flood prone land. This information will be of interest and is relevant in addressing inconsistencies with section 9.1 Direction 4.3 Flood Prone Land.

Council may still need to obtain the agreement of the Secretary to comply with the requirements of relevant section 9.1 Directions 2.1 Environmental Protection Zones, 2.3 Heritage Conservation, 3.1 Residential Zones, 4.3 Flood Prone Land and 5.10 Implementation of Regional Plans. Council should ensure this occurs prior to the plan being made.

I have considered the nature of Council's planning proposal and have conditioned the Gateway for Council to be authorised as the local plan-making authority.

The amending local environmental plan (LEP) is to be finalised within 12 months of the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office six weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning, Industry and Environment.

The state government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 3.32(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any enquiries about this matter, I have arranged for Mr Graham Judge to assist you. Mr Judge can be contacted on 6229 7906.

Yours sincerely
