Hello Amy

Thank you for your email advising that the Agile Planning team on behalf of the Strategic Planning Panel of the Sydney North Planning Panel (Panel), has reviewed the planning proposal (PP-2022-1137) for 130 Killeaton Street, St Ives and determined that the planning proposal is consistent with the Gateway determination. Thus in accordance with the Sydney District & Regional Planning Panel Operational Procedures November 2022, there is no need to refer the planning proposal to the Panel prior to public exhibition.

The Agile team's advice on the planning proposal's status is noted by the Planning Panels Team and the planning portal case for Panel pre-exhibition review will be updated and completed accordingly.

The Panel looks forward to reviewing the outcomes of the community consultation.

Regards Lisa
