Dear Michelle,

On behalf of the 7 owners at 56 Pitt St, Mortdale NSW 2223 SP68533 - I confirm the following;

- The Clubs Representative has engaged with the owners and has met with them in person on two occasions prior to lodging the subject Planning Proposal.
- The owners are fully aware of the Planning Proposal and the fact that the Clubs Representative plans to deliver a mixed use project incorporating a newly built space for Mortdale RSL, some retail space and residential apartments across both the RSL's land holding and the land holding belonging to the owners of 56 Pitt St, Mortdale.
- Although the owners have not entered into any formal agreement or contract with The Club or its representative they are supportive of progressing the Planning Proposal and continuing to engage with the Clubs Representative on this project.

Kind regards,

Cheryl Glanville JP
