NOTE: This estimation of fees is given based on the information provided in the written request submitted by the applicant. Whilst Council endeavours to ensure that the information provided is accurate, such information is given in good faith and no responsibility is taken for any errors that may occur.

Council will send an account for any additional inspections that may be required above the fee package quoted. Council will invoice the applicant, for any additional inspection carried out, at the completion of the work.

This quotation **does not** include any engineering plan approval fees. Engineering fees will be calculated when and if engineering plans are required as part of development consent.

The fees that will need to be paid with any application will be calculated on the information submitted with a **complete application**. This estimation of fees is provided as an administrative function only, no preliminary review of development controls have been referenced in the provision of this information.

Where this information is important, applicants are advised to establish the fees that will apply first hand. Copies of Council's Schedule of Fees may be obtained from Council's Customer Service counter or from Council's website (www.orange.nsw.gov.au)

Long Service Leave Levy and Plan First are NSW Government Fees and may be altered without notice.

All other fees are valid until 30 June in the financial year applicable to the date on which this quotation was issued.
