# reimagine

## concept images + finishes

1. Combining the old with the new, we pay homage to the local history of the land and create new memories with the next sustainable future
2. A sanctuary for everyone always genuine
3. Tiered manicured gardens highlight existing historic building and surrounds
4. New architectural extensions to the existing building provide additional seating and cosy outlook throughout the seasons
5. Sandstone from local quarry is the hero building and landscaping material
6. 7. Large indoor and outdoor function areas flexible for formal or casual events
8. Reusing existing building materials with new architectural features, we create a harmonious place that evolves seamlessly with the surrounding landscape
