Dear Mr McKee

Planning proposal PP-2022-3365 to amend Ku-ring-gai Local Environmental Plan 2015

I am writing in response to the planning proposal you have forwarded to the Minister under section 3.34(1) of the *Environmental Planning and Assessment Act 1979* (the Act) and additional information received on 20 September 2022 in respect of the planning proposal to list Headfort House, 95 Stanhope Road, Killara, as a local heritage item.

As delegate of the Minister for Planning, I have determined that the planning proposal should proceed subject to the conditions in the enclosed gateway determination.

Considering the nature of the planning proposal, I have determined that council may exercise local plan-making authority functions in relation to the planning proposal.

No further approval is required in relation to the Directions.

The proposed local environmental plan (LEP) is to be finalised on or before 25 April 2023. As this is a minor amendment, Council is to request Parliamentary Counsel's Office commence drafting as soon as practicable. A copy of the request should be forwarded to the Department of Planning and Environment.

The NSW Government has committed to reduce the time taken to complete LEPs. To meet these commitments, the Minister may appoint an alternate planning proposal authority if Council does not meet the timeframes outlined in the gateway determination.

The Department's categorisation of planning proposals in the *Local Environmental Plan Making Guideline* (Department of Planning and Environment, 2022) is supported by category specific timeframes for satisfaction of conditions and authority and Government agency referrals, consultation and responses. Compliance with milestones will be monitored by the Department to ensure planning proposals are progressing as required.

Should you have any enquiries about this matter, I have arranged for Mr. Brendon Roberts to assist you. Mr. Roberts can be contacted on 02 9274 6422.

Yours sincerely
