Dear Ms Stroud

Planning proposal - PP-2022-3463 - to amend Kiama Local Environmental Plan 2011

I am writing in response to the planning proposal you have forwarded to the Minister under section 3.34(1) of the *Environmental Planning and Assessment Act 1979* (the Act) to amend the Kiama Local Environmental Plan 2011 to amend existing and add new local heritage items and create new heritage conservation areas.

As delegate of the Minister for Planning, I have determined that the planning proposal should proceed subject to the conditions in the enclosed gateway determination.

I have also agreed, as delegate of the Secretary, the planning proposal is consistent with relevant Section 9.1 Directions and/or any inconsistencies are justified (except those Directions outlined below).

Council may still need to provide further information to comply with the requirements of relevant applicable directions of the Minister under section 9.1 of the EP&A Act (Direction 4.2 – Coastal Management, Direction 5.1 – Integrating Land Use and Transport, Direction 7.1 – Business and Industrial Zones and Direction 6.1 – Residential Zones). Council should ensure this occurs prior to public exhibition.

Considering the nature of the planning proposal I have determined that Council may exercise local plan-making authority functions in relation to the planning proposal.

The proposed local environmental plan (LEP) is to be finalised on or before 24th July 2023. Council is to request Parliamentary Counsel's Office commence drafting as soon as practicable. A copy of the request should be forwarded to the Department of Planning and Environment.

The NSW Government has committed to reduce the time taken to complete LEPs. To meet these commitments, the Minister may appoint an alternate planning proposal authority if Council does not meet the timeframes outlined in the gateway determination.

The Department's categorisation of planning proposals in the *Local Environmental Plan Making Guideline* (Department of Planning and Environment, 2021) is supported by category specific timeframes for satisfaction of conditions and authority and Government agency referrals, consultation, and responses. Compliance with milestones will be monitored by the Department to ensure planning proposals are progressing as required.

Should you have any enquiries about this matter, I have arranged for Mr Andrew Hartcher, Senior Planner, to assist you. Mr Hartcher can be contacted on 4247 1823.

Yours sincerely
