**23 FLOODING UPDATE**

Prior to closing the meeting, the Mayor provided an update on the flooding currently impacting Bourke Shire. In doing so, the Mayor noted that whilst the Darling River at Bourke had peaked at a level of 13.95 metres, it would still be some time before the river was back in its banks, and that is subject to no further rainfall upstream. The Mayor further noted that when it became evident there would be water inundation of property in the community, he authorised the General Manager to utilise Council resources to assist people wherever Council could. The Mayor acknowledged that such action had been taken professionally, fairly and consistently, with the Mayor placing on record Councils thanks to its General Manager and her staff for their work during the difficult times. The Mayor advised that the efforts of the General Manager, and those of her staff, had not gone unnoticed. The Mayor also thanked the Police, and all Emergency Services for their work for the Bourke Community.

The Mayor advised that access to/from Bourke via the Sydney and Cobar Roads, to the south of Bourke, was still limited to essential service vehicles. Councils Roads Manager noted that these roads were closed to general usage due to saturation of the road base and concerns regarding the integrity of the base stemming from continual use. At this point, these roads are closed indefinitely.

The Mayor further noted that under the NSW Flood Plan, where a town is isolated, the NSW Government organises and funds the required logistics. An anomaly in the plan is that a town has to be totally isolated in terms of available access. With access to Bourke still being available from the north, under the plan, Bourke is not categorised as isolated. This is despite that a trip from Dubbo to Bourke via Cunnamulla adds some 900kms to the journey. The Mayor advised he has written to the Deputy Premier on the issue who had requested the Minister for Emergency Services to review the matter.

The Mayor further noted that airlink Air Services had come to the fore, working with the Far North West Joint Organisation and Council such that they are providing flights to and from Bourke on a

Monday to Friday daily basis. Reasonably priced, the extra flights are aimed at those who may have medical appointments in Dubbo.

**The Meeting closed at 9.48am.**

**The minutes of this meeting were confirmed at the Ordinary Council Meeting held on 19 December 2022.**
