[DOC 21_16147 Letter to DPIE Crown Lands seeking their ~ proposal to rezone Thegoa Lagoon as recommended in the Sustainable Wentworth Strategy.pdf](#)

Dear Michele,

We have reviewed Council's proposal to re-zone Thegoa Lagoon (R78909) to an environmental zone, the department has no objections and supports this proposal.

As far as the lot sizes go for that area, the department has no real issue with lot size and are happy for Council to decide on the class of zoning under their planning.

Regards
