Dear Steve,

Preliminary Aboriginal archaeological site investigation, 1583 Burrendong Way, Mullion Creek NSW

1. Background

A rural-residential subdivision is proposed for 1583 Burrendong Way, Mullion Creek NSW. The proposed lots will range in size from 1.1ha to 1.6ha. The development will involve the construction of access roads, installation of services and construction of dwellings and associated infrastructure. The site comprises grazing on cleared grasslands and within remnant bushland.

A preliminary aboriginal archaeological assessment is required as part of the development application.

2. Scope

Search of the Department of Environment, Climate Change and Water Aboriginal Heritage Information Management System (AHIMS) for Aboriginal archaeological sites within 1583 Burrendong Way, Mullion Creek NSW.

3. Method

The AHIMS database was searched for Aboriginal sites in or near the investigation area.

4. Results

The AHIMS search was undertaken on Lots D and E DP33623, 1583 Burrendong Way, Mullion Creek NSW, with a buffer of 50 metres.

The search of the AHIMS database did not identify any recorded aboriginal sites or declared aboriginal places in or near the search location.

A copy of the reports are included as Attachment 1.

5. Conclusion

No aboriginal sites or places were identified on 1583 Burrendong Way, Mullion Creek NSW.
