Dear Mr Diplas

Planning proposal PP-2022-865 to amend Liverpool Local Environmental Plan 2008 (Schedule 5 Environmental Heritage)

I am writing in response to Council's request for a Gateway determination under section 3.34(1) of the *Environmental Planning and Assessment Act 1979* (the Act) in respect of the planning proposal to amend Schedule 5 Environmental Heritage of Liverpool Local Environmental Plan (LEP) 2008 to add two new local heritage items to the Schedule and make administrative changes.

As delegate of the Minister for Planning, I have now determined that the planning proposal should proceed subject to the conditions in the enclosed Gateway determination.

I have considered the nature of Council's planning proposal and have conditioned the Gateway for Council to be authorised as the local plan-making authority.

The amending local environmental plan (LEP) is to be finalised within six months of the date of the Gateway determination. Council is required to commence the exhibition of the planning proposal within a month from the date of Gateway determination. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office six weeks prior to the projected publication date. A copy of the request should be forwarded to the Department.

The state government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 3.32(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any enquiries about this matter, I have arranged for Ms Cho Cho Myint to assist you. Ms Myint can be contacted on 98601507.

Yours sincerely
