

Appendix E - Description and Justification of Amendments

Amendment 1: New Item in Schedule 5 - Federation timber weatherboard cottage	
Objectives/intended outcomes	To protect and conserve identified heritage items in Schedule 5 of the Liverpool Local Environmental Plan 2008.
Site identification	<p>122 Atkinson Street, Liverpool NSW 2170</p> 
Explanation	To include the proposed item within Schedule 5 of the Liverpool Local Environmental Plan 2008 as indicated below.
Justification	The proposed item was assessed by FORM Architects as a part of a Significance Assessment commenced through an Interim Heritage Order. The Significance Assessment determined that the property held local significance and should be listed under Schedule 5 of Liverpool Local Environmental Plan 2008. The report has been included in this planning proposal as Appendix A.
Draft instructions	To amend Schedule 5 as follows and in accordance with Appendix F.

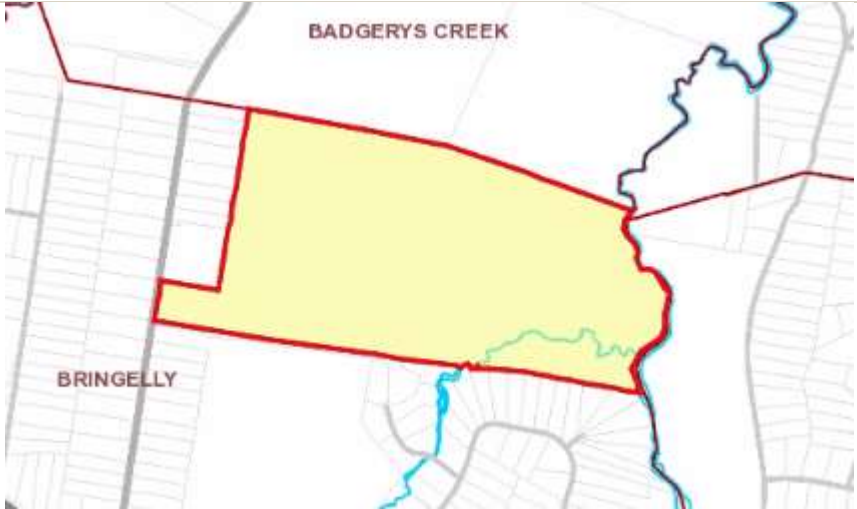

Amendment 2: New Item in Schedule 5 - Former Liverpool Scout Hall

Objectives/intended outcomes	To protect and conserve identified heritage items in Schedule 5 of the Liverpool Local Environmental Plan 2008.
Site identification	<p>124 Moore Street, Liverpool NSW 2170</p> 
Explanation	To include the proposed item within Schedule 5 of the Liverpool Local Environmental Plan 2008 as indicated below.
Justification	The proposed item was assessed by Edwards Heritage as a part of a Significance Assessment commenced through an Interim Heritage Order. The Significance Assessment determined that the property held local significance and should be listed under Schedule 5 of the Liverpool Local Environmental Plan 2008. The report has been included in this planning proposal as Appendix B.
Draft instructions	To amend Schedule 5 as follows and in accordance with Appendix F.

Amendment 3: Delete item 4 – Two water tanks (RAAF receiving station site and former water supply to OTC staff).

Objectives/intended outcomes	To improve the accuracy and clarity of Schedule 5 of Liverpool Local Environmental Plan 2008.
Site identification	
Explanation	The amendment is to remove the item from Schedule 5 of Liverpool Local Environmental Plan 2008.
Justification	The item is located on land which is not subject to Liverpool Local Environmental Plan 2008. The site falls under SEPP (Precincts – Western Parkland City) 2021.
Drafting instructions	To amend Schedule 5 as follows and in accordance with Appendix F.

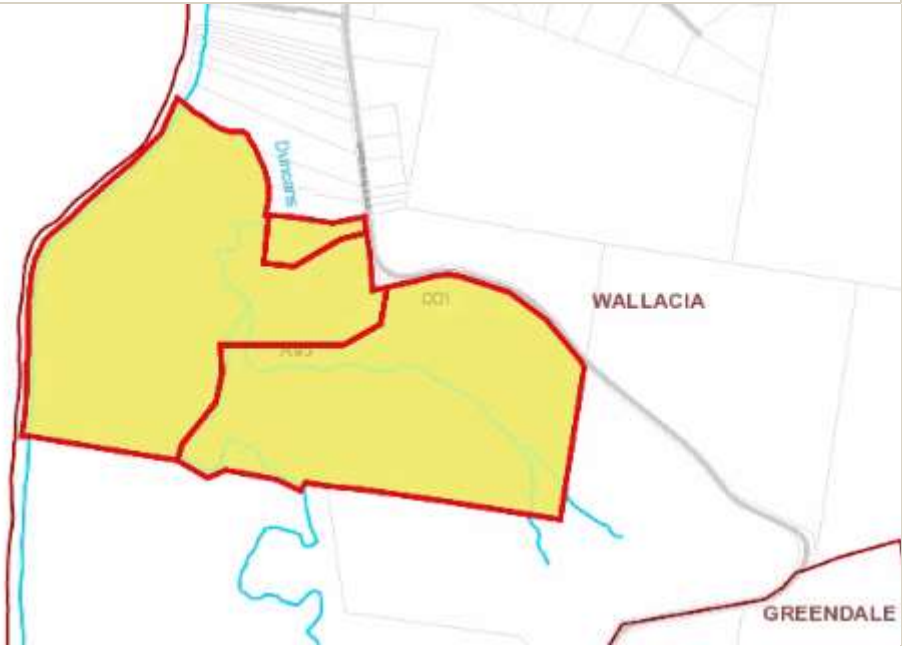

Amendment 4: Delete Item 5 – Former OTC Site Group, including radio receiving station and site of former staff housing

Objectives/intended outcomes	To improve the accuracy and clarity of Schedule 5 of Liverpool Local Environmental Plan 2008.
Site identification	
Explanation	The amendment is to remove the item from Schedule 5 of Liverpool Local Environmental Plan 2008.
Justification	<p>The item is located on land which is not subject to Liverpool Local Environmental Plan 2008. The site falls under SEPP (Precincts – Western Parkland City) 2021</p> <p>.</p>
Drafting instructions	Delete from Schedule 5 of Liverpool Local Environmental Plan 2008.

Amendment 5: Removal of Schedule 5 Heritage Item – Remnants of former sandstone cottage (“Benera”)

Objectives/intended outcomes	To improve the accuracy and clarity of Schedule 5 of Liverpool Local Environmental Plan 2008.
Site identification	
Explanation	To remove Item 59 from Schedule 5 Environmental Heritage of Liverpool Local Environmental Plan 2008.
Justification	The item was assessed and investigated under SSD 7155 for the Prestons Industrial Precinct and was subsequently destroyed under permit. The site has now been extensively occupied by industrial warehouse development.
Drafting instructions	Delete from Schedule 5 of Liverpool Local Environmental Plan 2008.

Amendment 6: Removal of Schedule 5 Heritage Item – Remnants of former farm homestead ('Pemberton')

Objectives/intended outcomes	To improve the accuracy and clarity of Schedule 5 of Liverpool Local Environmental Plan 2008.
Site identification	
Explanation	To remove Item 27 from Schedule 5 Environmental Heritage of Liverpool Local Environmental Plan 2008.
Justification	In the last amendment the item was moved to the Archaeological Sites section of Schedule 5 and listed as item A03 but was not removed from the main part of the schedule.
Drafting instructions	Delete from Schedule 5 of Liverpool Local Environmental Plan 2008.

Amendment 7: Removal of Schedule 5 Heritage Item – Ingleburn village site and lecture hall building (Nissan Huts)

Objectives/intended outcomes	To improve the accuracy and clarity of Schedule 5 of Liverpool Local Environmental Plan 2008.
Site identification	
Explanation	To remove Item 36 from Schedule 5 Environmental Heritage of Liverpool Local Environmental Plan 2008.
Justification	The item was demolished as part of preparation works approved under the Part 3A project for Edmondson Park. The item is now located on land not subject to Liverpool Local Environmental Plan.
Drafting instructions	Delete from Schedule 5 of Liverpool Local Environmental Plan 2008.

Amendment 8: Removal of Schedule 5 Heritage Item – Defence National Storage and Distribution Centre

Objectives/intended outcomes	To improve the accuracy and clarity of Schedule 5 of Liverpool Local Environmental Plan 2008.
Site identification	 <p>The map shows a large industrial or storage area in a brownish-tan color. Within this area, a specific site is outlined in red and filled with yellow. The site is rectangular and divided into several smaller rectangular sections. To the left of the site, the word 'CASULA' is written in red. To the right of the site, the word 'MOOREBANK' is written in red. Further to the right, the word 'WATTLE' is written in red. The map also shows surrounding roads, a river, and other land parcels.</p>
Explanation	To remove Item 57A from Schedule 5 Environmental Heritage of Liverpool Local Environmental Plan 2008.
Justification	The item was demolished as a part of the works associated with the Moorebank Intermodal.
Drafting instructions	Delete from Schedule 5 of Liverpool Local Environmental Plan 2008.
