

**E2 - Environmental Conservation**

**E3 Environmental Management**

The map shows the Pacific Northwest region of the United States, including Washington, Oregon, and California. A legend in the bottom right corner indicates that the shaded areas represent 'FUTURE ACQUISITION'. The map is divided into two main regions: E2 - Environmental Conservation (shaded in light blue) and E3 Environmental Management (shaded in light green). The E2 region covers a large portion of the Pacific Northwest, including the coastal areas of Washington and Oregon, and extends into California. The E3 region is located in the southern part of the Pacific Northwest, covering parts of Washington, Oregon, and California. The map also shows major cities, roads, and water bodies.
