**Planning proposal (Department Ref: PP-2023-1889):** to list 90-92 Newcastle Street, Rose Bay in the Woollahra local government area as local heritage item.

I, the Director, Agile Planning at the Department of Planning and Environment, as delegate of the Minister for Planning and Public Spaces, have determined under section 3.34(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Woollahra Local Environmental Plan 2014 to list 90-92 Newcastle Street, Rose Bay within the Woollahra local government area as local heritage items should proceed subject to the following conditions:

The Council as planning proposal authority is authorised to exercise the functions of the local plan-making authority under section 3.36(2) of the Act subject to the following:

- (a) the planning proposal authority has satisfied all the conditions of the gateway determination.
- (b) the planning proposal is consistent with applicable directions of the Minister under section 9.1 of the Act or the Secretary has agreed that any inconsistencies are justified; and
- (c) there are no outstanding written objections from public authorities.

The LEP should be completed on or before 14 August 2024.

### Gateway Conditions

  - (b) the planning proposal authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in *Local Environmental Plan Making Guideline* (Department of Planning and Environment, August 2023).
3. Consultation with the landowner is required. Council should consider any information provided in its post exhibition assessment and reporting.
4. Consultation is required with the following public authorities and government agencies under section 3.34(2)(d) of the Act and/or to comply with the requirements of applicable directions of the Minister under section 9 of the Act:
