Dear Mr Johansson

Planning proposal PP-2023-1983 to amend Goulburn Mulwaree Local Environmental Plan 2009

I am writing in response to the planning proposal you have forwarded to the Minister under section 3.34(1) of the *Environmental Planning and Assessment Act 1979* (the Act) in respect of the planning proposal to rezone part 129 Marys Road and Part 110-118 Middle Arm Road to R2 Low Density Residential Zone and C2 Environmental Conservation Zone.

As delegate of the Minister for Planning and Public Spaces, I have determined that the planning proposal should proceed subject to the conditions in the enclosed gateway determination.

I have also agreed, as delegate of the Secretary, the inconsistency of the planning proposal with Section 9.1 Ministerial 9.1 Rural Zones and 9.2 Rural Lands, is justified in accordance with the terms of the Direction.

Council may still need to obtain the agreement of the Secretary to comply with the requirements of relevant applicable directions of the Minister under section 9.1 of the Act namely directions 3.1 Conservation Zones, 3.2 Heritage Conservation, 4.1 Flooding and 4.3 Planning for Bushfire Protection. Council should ensure this occurs prior to the LEP being made.

Considering the nature of the planning proposal I have determined that Council may exercise local plan-making authority functions in relation to the planning proposal.

Parliamentary Counsel's Office is not responsible for the drafting of map-only amendments to LEPs. Requests for legal drafting for map-only amendments must instead be sent to mapinstrument.drafting@dpie.nsw.gov.au. The relevant Department of Planning, Housing and Infrastructure regional team contact should be copied into the request. The request must include the drafting instruction template, planning proposal and gateway determination.

The NSW Government has committed to reduce the time taken to complete LEPs. To meet these commitments, the Minister may appoint an alternate planning proposal authority if Council does not meet the timeframes outlined in the gateway determination.

The Department's categorisation of planning proposals in the *Local Environmental Plan Making Guideline* (Department of Planning, Housing and Infrastructure, August 2023) is supported by category specific timeframes for satisfaction of conditions and authority and Government agency referrals, consultation, and responses. Compliance with milestones will be monitored by the Department to ensure planning proposals are progressing as required.

Should you have any enquiries about this matter, I have arranged for Mr Graham Judge to assist you. Mr Judge can be contacted on 6229 7906.

Yours sincerely

24/7/2024
