

Gateway Determination

Planning proposal (Department Ref: PP-2023-2604): to amend the Inner West Local Environmental Plan (LEP) 2022 to include 26 additional sites as local heritage items.

I, the Director, Agile Planning at the Department of Planning, Housing and Infrastructure, as delegate of the Minister for Planning and Public Spaces, have determined under section 3.34(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Inner West Local Environmental Plan 2022 to add 26 sites to Part 1 Schedule 5 should proceed subject to the following conditions:

The Council as planning proposal authority is authorised to exercise the functions of the local plan-making authority under section 3.36(2) of the Act subject to the following:

- (a) the planning proposal authority has satisfied all the conditions of the gateway determination;
- (b) the planning proposal is consistent with applicable directions of the Minister under section 9.1 of the Act or the Secretary has agreed that any inconsistencies are justified; and
- (c) there are no outstanding written objections from public authorities.

The LEP should be completed on or before 1 November 2024.

Gateway Conditions

1. Prior to exhibition, the planning proposal and supporting documentation be updated to reflect the current Assessing Heritage Significance guidelines (NSW Environment and Heritage, June 2023) including an assessment against all heritage significance criteria.
2. Public exhibition is required under section 3.34(2)(c) and clause 4 of Schedule 1 to the Act as follows:
 - (a) the planning proposal is categorised as standard as described in the *Local Environmental Plan Making Guideline* (Department of Planning and Environment, August 2023) and must be made publicly available for a minimum of 20 working days; and
 - (b) the planning proposal authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in *Local Environmental Plan Making Guideline* (Department of Planning and Environment, August 2023).
3. Consultation is required with NSW Environment and Heritage (Heritage NSW) under section 3.34(2)(d) of the Act. Heritage NSW is to be provided with a copy of the planning proposal and any relevant supporting material and given at least 30 working days to comment on the proposal.
4. A public hearing is not required to be held into the matter by any person or body under section 3.34(2)(e) of the Act. This does not discharge Council from any obligation it

may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
