**NOTICE OF PUBLIC EXHIBITION OF A PLANNING PROPOSAL
TO AMEND WINGECARRIBEE LOCAL ENVIRONMENTAL PLAN 2010**

On 15 March 2023 Council resolved to proceed with a Planning Proposal amend WLEP 2010 to remove the requirement for a Development Application for certain events on public land that is bushfire prone. It is noted that while the Planning Proposal would remove the need for a Development Application, the assessment of the suitability of a public event on bushfire prone land would still occur through Council's lease / licencing processes for the use of public land. On 22 July 2023, the NSW Department of Planning Housing & Environment issued a Gateway Determination to progress the Planning Proposal to public exhibition and the Planning Proposal is now exhibited in accordance with the Gateway requirements and submissions sought from the community.
