

Attachment I

NOTE:
ALL SERVICES INDICATED WITHIN
THE SUBJECT PROPERTY ARE
TEMPORARY SERVICES

IMPORTANT NOTE:
This plan is prepared for
from a combination of field survey
and existing record for the purpose
of designing new constructions on the
land and should not be used for any
other purpose.
The title boundaries shown hereon were
not marked by the author at the time
of survey and have been determined by
plan dimensions only and not by field
measurement.

Services shown hereon have been located
where possible by field survey. If not able
to be so located, known services have
been plotted from the records of relevant
authorities where available and have been
noted accordingly on this plan.
Where such records either do not exist
or are considered inadequate, a notation
has been made hereon.
Prior to any demolition, excavation or
construction on the site, the relevant
authority should be contacted for
possible location of further underground
services and detailed locations of all
services.
This note is an integral part of this plan.
