

Public Exhibition of Planning Proposal PP-2024-2040—New Heritage Items and Heritage Conservation Areas recommended in the Wingecarribee Community Heritage Study 2021-23

To support the public exhibition of PP-2024-2040 a web map of the proposed items has been created. This interactive map shows:

- Proposed heritage items
- Proposed heritage conservation areas
- Amended heritage items
- Amended heritage conservation areas
- Existing heritage items
- Existing heritage conservation areas

The web map can be accessed from the following link:
