Dear Mr Green

Planning proposal PP-2024-2340 to amend Tweed Local Environmental Plan 2014

I am writing in response to the planning proposal you have forwarded to the Minister under section 3.34(1) of the Environmental Planning and Assessment Act 1979 (the Act) in respect of the planning proposal to amend the minimum lot size applying to 133-139 Dulguigan Road, Dulguigan and rezone part of the land to C3 Environmental Management.

As delegate of the Minister for Planning and Public Spaces, I have determined that the planning proposal should proceed subject to the conditions in the enclosed Gateway determination.

I have also agreed, as delegate of the Secretary, the inconsistency of the planning proposal with applicable directions of the Minister under section 9.1 of the Act 3.2 Heritage Conservation, 4.2 Coastal Management, and 9.2 Rural Lands is justified in accordance with the terms of the Direction. No further approval is required in relation to these Directions.

Council may still need to obtain the agreement of the Secretary to comply with the requirements of relevant applicable directions of the Minister under section 9.1 of the Act 3.4 Application of C2 and C3 Zones and Environmental Overlays in Far North Coast LEPs, 4.1 Flooding and 4.3 Planning for Bushfire Protection.

I have considered Council's request to be the local plan-making authority and have determined not to authorise Council to be the local plan-making authority, to ensure a consistent approach to the finalisation of rezoning decisions consistent with the E Zone Review Final Recommendations Report.

The amending local environmental plan (LEP) is to be finalised within nine months from the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request for the Department of Planning, Housing and Infrastructure to draft and finalise the LEP should be made eight weeks in advance of the date the LEP is projected to be made.

The NSW Government has committed to reduce the time taken to complete LEPs. To meet these commitments, the Minister may appoint an alternate planning proposal authority if Council does not meet the timeframes outlined in the gateway determination.

The Department's categorisation of planning proposals in the *Local Environmental Plan Making Guideline* (August 2023) is supported by category specific timeframes for satisfaction of conditions and authority and Government agency referrals, consultation, and responses.

Compliance with milestones will be monitored by the Department to ensure planning proposals are progressing as required.

Should you have any enquiries about this matter, I have arranged for Ms Sandra Bush to assist you. Sandra can be contacted on 5778 1409.

Yours sincerely

21/1/25
