**Planning proposal (Department Ref: PP-2024-271):** to include an additional permitted use at 92 Cooramin Street, Cartwrights Hill.

I, the Acting Director, Southern, Western and Macarthur Region, at the Department of Planning, Housing and Infrastructure, as delegate of the Minister for Planning and Public Spaces, have determined under section 3.34(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Wagga Wagga Local Environmental Plan 2010 to include an additional permitted use at 92 Cooramin Street, Cartwrights Hill should proceed subject to the following

The Council as planning proposal authority is authorised to exercise the functions of the local plan-making authority under section 3.36(2) of the Act subject to the following:

- (a) the planning proposal authority has satisfied all the conditions of the gateway determination;
- (b) the planning proposal is consistent with applicable directions of the Minister under section 9.1 of the Act or the Secretary has agreed that any inconsistencies are justified; and
- (c) there are no outstanding written objections from public authorities.

The LEP should be completed on or before 27 February 2026.

### Gateway Conditions

1. Prior to exhibition, consultation is required with the NSW Rural Fire Service under section 3.34(2)(d) of the Act. The Rural Fire Service is to be provided with a copy of the planning proposal and any relevant supporting material and given at least 30 working days to comment on the proposal to determine the consistency of the planning proposal with Direction 4.3 Planning for Bushfire Protection.
2. Public exhibition is required under section 3.34(2)(c) and clause 4 of Schedule 1 to the Act as follows:
  - (a) the planning proposal is categorised as standard as described in the *Local Environmental Plan Making Guideline* (Department of Planning and Environment, August 2023) and must be made publicly available for a minimum of 20 working days; and
  - (b) the planning proposal authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in *Local Environmental Plan Making Guideline* (Department of Planning and Environment, August 2023).

3. A public hearing is not required to be held into the matter by any person or body under section 3.34(2)(e) of the Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
