Hi Luke

Thanks for your call this morning. Please read the email trail below. David Lewis has given verbal advice saying that the business is pre-existing with no concerns in respect of the DA. He has also indicated that if you have no problems then you can support the DA.

Lance has provided a reply and can't see any problem either.

If you have no problems you can advise Nick of your decision.

Thanks

**Subject:** Oxley Vale PS - Comment on DA for Superette Extension

Good morning Lesa,

I received a call from Luke Norman, Principal Oxley Vale PS regarding the adjoining Oxley Vale Superette owned by Nick Summers.

Nick had contacted Luke and explained he had submitted a DA to extend his business, including a small increase to his liquor shop. Luke has a strong professional working relationship with Nick and his business and is more than happy to support the DA, I have spoken to David Lewis and David has confirmed there are no concerns, as it is a long established business in an established community. David said that he felt it was appropriate for Luke to make the decision to support the DA, however, both Neil Harvey and I feel that you should be consulted.

Could you please advise your thoughts on this.

Many thanks,

**Alison Brand**
