Dear Sir/Madam,

**Strategic Planning Instrument
LEP Amendment – Planning Proposal
Glen Innes Severn Local Environmental Plan 2012 - Reclassification of Council owned land - 773 Emmaville Road & 36 Lang Street, Glen Innes.**

I refer to your correspondence dated 24/10/2025 inviting the NSW Rural Fire Service (NSW RFS) to comment on the above Strategic Planning document.

The NSW RFS has considered the information submitted and provides the following comments.

The Planning Proposal is to reclassify council owned land from community to operational land. The subject lands has significant council infrastructure in-situ.

The NSW RFS has no objection to the Planning Proposal. Where land is mapped bushfire prone by council and contains infrastructure, council should include a Bushfire Emergency Management and Evacuation Plan as part of the site's Operational Management Plan.

For any queries regarding this correspondence, please contact Alan Bawden on 1300 NSW RFS.

Yours sincerely,

Anna Jones
