## **Gateway Determination**

**Planning proposal (Department Ref: PP-2025-947)**: to permit a light industry on part of Lot 22 DP 628242, 202 Caniaba Road, Caniaba.

I, the Director, Hunter and Northern Region, at the Department of Planning, Housing and Infrastructure, as delegate of the Minister for Planning and Public Spaces, have determined under section 3.34(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Lismore Local Environmental Plan 2012 to permit a light industry on part of Lot 22 DP 628242, 202 Caniaba Road, Caniaba, should proceed subject to the following.

The Council as planning proposal authority is authorised to exercise the functions of the local plan-making authority under section 3.36(2) of the Act subject to the following:

- (a) The planning proposal authority has satisfied all the conditions of the gateway determination;
- (b) The planning proposal is consistent with applicable directions of the Minister under section 9.1 of the Act, or the Secretary has agreed that any inconsistencies are justified; and
- (c) There are no outstanding written objections from public authorities.

The LEP should be completed within 9 months of the date of the Gateway determination.

## **Gateway Conditions**

- 1. Prior to agency and community consultation, the planning proposal is to be amended to seek a new local provision rather than an additional permitted use:
  - (a) which permits a light industry with consent and describes the operations involved; and
  - (b) includes a new map to identify the area to which the local provision applies.
- 2. Public exhibition is required under section 3.34(2)(c) and clause 4 of Schedule 1 to the Act as follows:
  - (a) The planning proposal is categorised as standard as described in the Local Environmental Plan Making Guideline (Department of Planning and Environment, August 2023) and must be made publicly available for a minimum of 20 working days; and
  - (b) The planning proposal authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in Local Environmental Plan Making Guideline (Department of Planning and Environment, August 2023).

- 3. Consultation is required with the following public authorities and government agencies under section 3.34(2)(d) of the Act and/or to comply with the requirements of applicable directions of the Minister under section 9 of the Act.
  - Operator of the Lismore Airport
  - Air Services Australia
  - Civil Aviation Authority
  - Ngulingah Local Aboriginal Land Council
  - Department of Primary Industries and Regional Development Agriculture

Each public authority is to be provided with a copy of the planning proposal and any relevant supporting material via the NSW Planning Portal and given at least 30 working days to comment on the proposal.

4. A public hearing is not required to be held into the matter by any person or body under section 3.34(2)(e) of the Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
