[illegible]

Architectural drawing of the front elevation of the 'MONTSELENYK-HSEI' building. The drawing shows a long, multi-story building with a complex roofline, including a large gabled section on the right. The facade features various window arrangements, including large multi-paned windows and smaller rectangular windows. The drawing is labeled with 'MONTSELENYK-HSEI' and '1:100' scale. A north arrow is present. The drawing is oriented vertically on the page.
