- Mr Alan Davidson and Guy Bales addressed the panel regarding the planning report and some unsatisfactory conditions proposed in the report. They both answered questions from the panel.

#### 4. Business Item Recommendations

***2009SYE021 Rockdale DA No. 237/2010 – Stage 1 DA Masterplan –Mixed Use Development and extend Hotel, 20 Levey Street, Wolli Creek***

The panel resolved as follows:

- The panel unanimously decided that this matter is not appropriate for approval at this time. The Panel prefers to await the outcome of amendments proposed to the council's existing DCP62 and not to pre-empt the council's policy decision.
- In addition, the Panel is not yet convinced that parking can only take place above ground or at one level below ground and requires evidence, to be supplied to the Council by the applicant within 28 days, of the exact nature of the subsurface conditions that prevent cost-effective underground parking which would free up space within the building footprints that could be used for developable purposes.

The meeting concluded at 7.15 pm.
