

LEGEND

- Secondary access roads - conceptual
- Drainage line
- Boundary of Extraction
- Topsoil bunding
- Drainage - existing
- Direction of extraction or rehabilitation
- 1E** Name of extraction or rehabilitation cell, indicating its relationship with the Pit number
- Extraction cell
- Rehabilitation cell

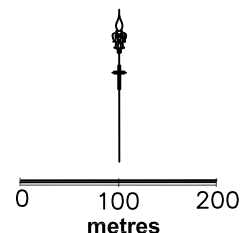

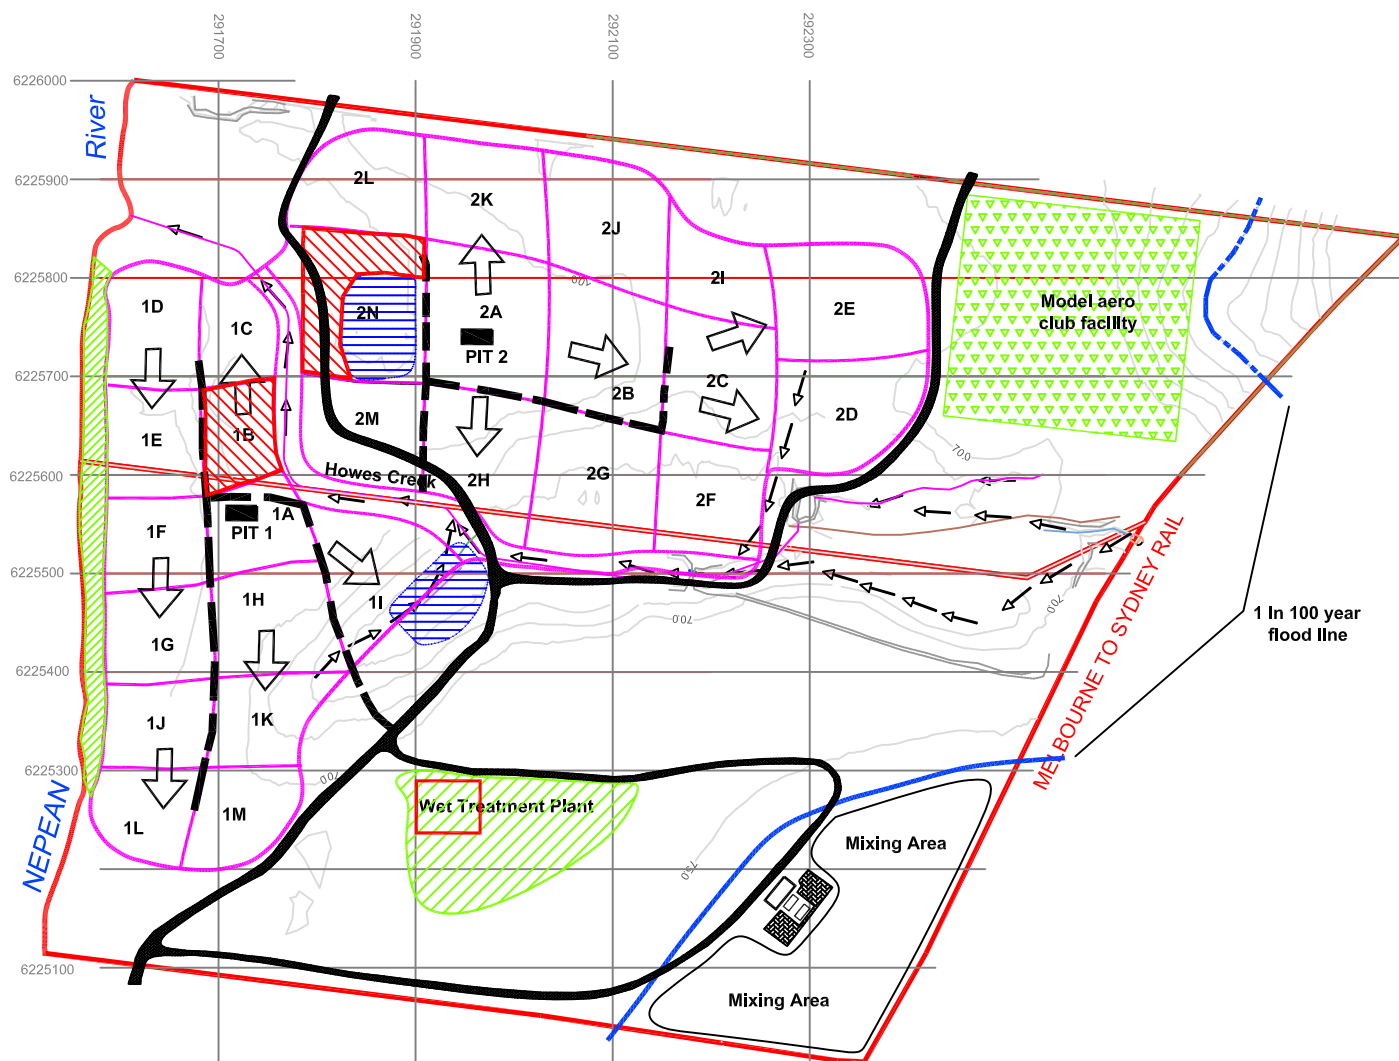

FIGURE 4a
Sequence of extraction and rehabilitation

LEGEND

- Secondary access roads - conceptual
- Drainage line
- Boundary of Extraction
- Topsoil bunding
- Drainage - existing
- Direction of extraction or rehabilitation
- 1E**
Name of extraction or rehabilitation cell, indicating its relationship with the Pit number
- Extraction cell
- Rehabilitation cell
