Dear Madam,

**RE: COPY OF ADDITIONAL ACOUSTIC REPORT FOR JOINT REGIONAL PLANNING PANEL
DA NO. 10/1049 PROPOSED PLACE OF WORSHIP (MOSQUE)
NO'S 158A AND 164 CROUDACE ROAD, ELERMORE VALE**

We refer to Item 2 of the determination of the Joint Regional Planning Panel ("JRPP") at its meeting on 5 May 2011 in relation to the above development application. This item states the following:

- "2) *The applicant to provide additional information regarding noise impacts and issues raised in the independent acoustic consultant report by SLR including:*
- a) *Addressing the cumulative noise impacts, including under non-neutral weather conditions; and*
 - b) *Noise impacts from the eastern ramp to the upper level car park.*

This response shall be reviewed by an independent acoustic consultant appointed by the Panel."

In this regard we have attached an additional Acoustic Report prepared by Spectrum Acoustics dated 30 May 2011 which addresses the above matter.

With regard to Item 1, of the determination of the JRPP, we understand an independent Traffic Engineer has been engaged by the JRPP to address this matter. Should you have any queries in relation to the DA please do not hesitate to contact the undersigned on (02) 4942 5441.

Yours sincerely,

de Witt Consulting
