Dear Corrie,

**Peer Review of Hayes Environmental (29 April 2011) Assessment of Significance Report – Bicentennial Park, West Pymble: Proposed Redevelopment of West Pymble Pool and Additional Carparking**

The above report has been reviewed and there are no further issues. ELA consider that this assessment adequately addresses the legislative requirements. In particular, the issues/comments raised in the peer review report from ELA (31 March 2011) appear to have been adequately addressed in the report by Hayes Environmental (29 April 2011).

Kind Regards,
