11 August 2011

Dear Glenn

I am writing to you regarding:

CONDITIONS OF DEVELOPMENT CONSENT

DA No: DA-485/2010

Property: 88-90 Water Street, AUBURN

Description: Construction of a new 4 storey building for use as a medical training and research facility with associated site works (Crown Development)

With the correction to the street name in Condition 43 which incorrectly refers to Chisholm Road, the University accepts the conditions of development consent as in the Final Draft sent to Kate Tudehope by Fay Ong on Tuesday 9 August 2011.

We would appreciate if these conditions, our acceptance and your recommendation to approve the Development are put to the Joint Regional Planning Panel as soon as possible. The University and its funding partner, the Australia Government, are keen to commence construction so the Clinical School can be operational towards the end of 2012.

Thank you for all of your assistance with this process and please let me know if there is anything else required from the University or our consultants.

Yours Sincerely

A handwritten signature in black ink, appearing to read 'P. Glasson'.

Mr Peter Glasson
Pro Vice Chancellor
