Re: 2011HCC017 - Port Stephens - 16-2011-207-1 - Medical Centre (Health Services Facility) - 4 Jacaranda Ave Raymond Terrace

Dear Angela

Hunter New England Local Health District wish to withdraw the current Development Application lodged with Port Stephens Council (DA 16-2011-207-1) for the construction of Health Service Facility at 4 Jacaranda Avenue Raymond Terrace. This Development Application was scheduled to be reviewed by the Joint Regional Planning Panel at Port Stephens Council on the 21st July 2011.

It is anticipated there will be a significant variation to the current DA proposal in the near future that would warrant the submission of an amended Development Application.

Hunter New England Local Health District is committed to the provision of Health Services in the Raymond Terrace district and continue to actively work towards the implementation of a HealthOne Facility in the area.

Yours sincerely

Michael DiRienzo
Chief Executive
