Dear Sir

Development Application 2011/34 - Proposed Quarry on Lot 12 DP 582916 and Lot 1 DP 366036, Parish of Stratheden

With reference to the above and your correspondence dated 1 November, 2011 regarding a request for Council to provide a supplementary report to the Regional Panel by 17 February, 2012, I respond as follows.

Council has been advised by the applicant that due to some delays being experienced from their Consultants in addressing the matters referred to as outstanding, the additional information will not be submitted to Council until 31 March, 2012. I therefore advise that the timeframe as previously requested cannot be met by Council in providing the supplementary report and request that the due date be extended to 30 April, 2012.

Yours faithfully,

Arthur Piggott
GENERAL MANAGER.
