Northern Joint Regional Planning Panel

Notice for DA 2011.34 / JRPP 2011NTH004 - Establishment and operation of extractive industry (basalt quarry) at 904 Edenville Road, Cedar Point, Kyogle Council

Kyogle Council has requested an additional extension of time until 18 May 2012 to provide the supplementary assessment report, as the information from the Applicant will not be submitted to Council until 30 April 2012. This extension request has been granted by the Panel Chair on the understanding this will be the final extension.

Once the supplementary assessment report is received, the Panel Secretariat will write to all submitters to advise when a Panel Meeting will be held. A notice of the Panel Meeting date will also be placed in the local papers, and advertised on the JRPP website (www.jrpp.nsw.gov.au).
