Subject: RE: DA10-0128 Moree Police Station

Good morning Murray,

Thank you for the clarification, these issues are never straightforward!

In the interest of moving this along we conditionally accept the draft 94A contribution condition noting that section 94A is not supported by United Group and NSW Police. As advised a section 96 application for modification will be lodged to remove the section 94A condition.

Thank you again for providing this initiative for the project.

Regards,

Paul Di Donato
