Dear Sir/Madam

**Re: JRPP No. 2011STH007 - Request for Concurrence to Exercise Delegation to Determine - Section 23(1B) of the *Environmental Planning and Assessment Act 1979*.**

Development	Two (2) storey research building encompassing exhibition space, education training, academic office, flexi research space and speciality high bay laboratories

I refer to Council's assessment report forwarded on 24 June, 2011 and advise that the assessment officer was Geoffrey Hunt – Senior Development Project Officer and the proposed determining officer is David Farmer – General Manager.

Wollongong City Council seeks the Joint Regional Planning Panel's concurrence to exercise delegation to determine Development Application DA-2011/163 as enabled under section 23(1B) of the *Environmental Planning and Assessment Act 1979* via Schedules 1, 2 and 3 as the Wollongong Innovation Campus (iC) is an identified 'area'.

Council has no identified 'interest' in the application, nil (0) submissions were received during the exhibition period and the assessment report recommends that conditional approval be granted to the proposed development.

If you have any questions please contact me on the telephone number below between the hours of 9.30 am and 10.30 am Monday to Friday or at other times by prior appointment.
